SANParks Conservation Support Project SP-KN-0181

Conservation Needs Survey - Karoo Rangers (C/O Johan De Klerk)

ID	ITEM	DESCRIPTION	NO	MOTIVATION	ESTIMATED UNIT COST	ESTIMATED TOTAL COST
1	CyberTrackers	AIRIS T620 Pocket PC with integrated GPS	6	These devices will be used to collect field information during routine ranger patrols in order to facilitate effective environmental management and research of park-specific natural resources.	R 2,456.80	R 14,740.80
2	Canvas Tents	5x5m army style tent	1	Routine "sleep-outs" will promote a ranger presence in problem poaching areas. This will also cut down on unnecessary travel costs.	R 10,000.00	R 10,000.00
3	Stretchers	Camping strecthers/beds	12	To be used when camping out in the veld, will make sleep-out bit more comfortable for the field rangers.	R 650.00	R 7,800.00
4	Rifle bags	Rifle bags - R1	12	Rifle bags to transport rifle to and from training and shooting exercises.	R 350.00	R 4,200.00
					Total	**R 36,740.80**
